Users Say

● POSITIVES

- ✓ Upright stand improves remote visibility
- ✓ Glow feature works well in low light

● COMPLAINTS

- ⚠ Color options are limited
- ⚠ Glow intensity may vary by environment

How It Compares

- Better than generic stands for Alexa 2022
- Less durable than plastic alternatives
- More specialized than multi-remote holders
- Fewer color options than competitor products

Choose This If...

- ✓ Need a stand for Alexa Voice Remote 2022
- ✓ Want glow-in-the-dark visibility
- ✓ Prioritize non-slip grip design
- ✓ Accept variable glow intensity

Skip This If...
