-  Screen protection is fabric-based
-  Limited to 2023 tablet models
-  Stylus storage requires separate purchase

## Users Say

---

### ● POSITIVES

- ✓ Magnetic closure is convenient
- ✓ Stand works well for video calls
- ✓ Screen stays clean with microfiber
- ✓ Sustainable materials are a plus
- ✓ Slim design doesn't bulk up tablet

---

### ● COMPLAINTS

- ⚠ Only compatible with specific tablet models
- ⚠ No built-in battery for power
- ⚠ Magnetic closure may attract debris
- ⚠ Stylus storage requires extra purchase
- ⚠ Limited protection against accidental drops

## How It Compares

---

- vs rigid covers: no stand functionality
- vs non-magnetic options: no auto wake/sleep
- vs non-sustainable covers: recycled materials
- vs thinner covers: less impact protection
- vs covers without stylus: requires separate purchase
- vs universal covers: limited to 2023 tablets

## Choose This If...
