## Who It Is For

---

-  Recent Amazon Fire TV 65" Omni QLED TV owners
-  Users needing repair coverage without deductibles
-  Those who want fast replacement service
-  Gift buyers seeking transferable protection

## Who It Is Not For

---

-  Owners who purchased TV over 30 days ago
-  Users preferring self-repair options
-  Those needing coverage beyond 4 years
-  Individuals without email access

## Trade Offs to Consider

---

- Limited to specific TV models only
- No coverage for accidental damage
- Requires immediate card charge upon delivery
- No extended warranty beyond 4 years
- Cannot combine with other manufacturer plans
- No prorated refunds after 90 days

## How It Compares

---

- Better than self-repair costs for major defects
- Faster than manufacturer repairs for critical issues
- More affordable than extended warranty add-ons
- Simpler than multi-tiered protection plans
- Better than third-party coverage for accidental damage
- More flexible than locked-in manufacturer plans

## Choose This If...

---

- ✓ You need coverage for major repairs
- ✓ Want no deductibles or shipping fees
- ✓ Plan to keep TV for 4+ years
- ✓ Seek transferable protection options

## ✗ Skip This If...

---

- ✗ Your TV is older than 30 days
- ✗ You prefer self-repair options
- ✗ Need coverage beyond 4 years
- ✗ Cannot wait for 2-3 day replacements
