1080p HD live view with color night vision
-  **MOTION DETECTION ALERTS**
Real-time motion alerts on smartphone
-  **WEATHER-RESISTANT SETUP**
Plugs into outdoor outlet with adapter
-  **APP-BASED CONTROLS**
Controls via Blink app
-  **EASY SETUP**
Installs in minutes for full coverage
-  **DOORBELL CHIME**
Acts as plug-in chime for doorbell

Who It Is For

-  Homeowners with pets needing constant monitoring
-  Users requiring outdoor security with weather resistance
-  Individuals wanting real-time motion alerts on smartphone
-  Owners of Blink Video Doorbell needing chime
-  Those needing easy installation for full home coverage
-  People wanting weather-resistant outdoor setup

Who It Is Not For

-  Users needing 24/7 continuous recording
-  Those without smartphone access for alerts
-  Individuals requiring indoor-only camera setup
-  People without Blink subscription for advanced features
-  Those needing multiple camera installations
-  Users without power adapter for outdoor use

Trade Offs to Consider

-  Limited to one camera installation
-  Requires subscription for advanced alerts
-  Depends on smartphone for alerts
-  No local storage for video recordings
-  Weather-resistant but not fully waterproof
-  Doorbell chime only works with Blink doorbell

Users Say

● POSITIVES

- ✓ Clear night vision with spotlight
- ✓ Easy setup for quick installation
- ✓ Effective motion alerts on smartphone

● COMPLAINTS

- ⚠ Requires subscription for full features
- ⚠ Limited to single camera use
- ⚠ Weather-resistant but not fully waterproof

How It Compares

- Better than basic cameras with weather resistance
- Less than professional security systems
- More than single-camera setups
- Fewer features than premium models
- Better than indoor-only cameras for outdoor use
- Less than multi-camera systems

Choose This If...

- ✓ Need outdoor security with weather resistance
- ✓ Want motion alerts on smartphone
- ✓ Have Blink Video Doorbell needing chime
- ✓ Prioritize easy installation for coverage
- ✓ Require weather-resistant outdoor setup

✗ Skip This If...

- ✗ Need 24/7 continuous recording
- ✗ No smartphone access for alerts
- ✗ Require indoor-only camera setup
- ✗ No Blink subscription for advanced features
- ✗ Need multiple camera installations
- ✗ No power adapter for outdoor use
