

Blink Outdoor 2K+ Wireless Smart Security Camera (Black)

QUICK BUYER GUIDE

Homeowners need 2K video and weatherproof security with minimal setup

At a Glance Specs

VIDEO RESOLUTION

2K video with color vision in low light

BATTERY LIFE

Two-year battery with no recharging needed

AUDIO

Two-way noise-canceling audio for clear conversations

ZOOM

4x digital zoom for detailed package verification

WEATHER RESISTANCE

IP-65 rating for rain, dust, and extreme weather

SMART ALERTS

Person/vehicle detection requires Blink subscription

Who It Is For

- ✓ Need 2K video for clear details
- ✓ Want weatherproof outdoor security
- ✓ Require smart alerts for motion
- ✓ Seek long battery life without recharging

Who It Is Not For

- ✗ Need wired cameras for power
- ✗ No subscription for smart alerts
- ✗ Want 4K resolution
- ✗ Require instant 24/7 recording

Trade Offs to Consider

- No 4K resolution available
- Requires subscription for smart alerts
- Battery lasts two years only
- No local storage option

How It Compares

- Less than 4K resolution compared to competitors
- Requires subscription for smart alerts
- Battery lasts two years instead of indefinite
- No local storage option

Choose This If...

- ✓ Need 2K video and weatherproof security
- ✓ Want smart alerts with subscription
- ✓ Seek long battery life without recharging

Skip This If...

- ✗ Require 4K resolution
- ✗ No subscription for alerts
- ✗ Need instant 24/7 recording
