## Who It Is For

---

-  Owners of Fire 7 tablets (2017) needing repair coverage
-  Users who want no deductibles or shipping fees
-  People needing replacement devices within 2-3 days
-  Those who purchased their tablet within 90 days
-  Individuals who want transferable coverage
-  Users requiring up to 3 claims during coverage

## Who It Is Not For

---

-  Owners of Fire 7 tablets released before 2017
-  Users needing more than 3 claims during coverage
-  Customers who want extended coverage beyond 1 year
-  People requiring shipping fee coverage
-  Individuals needing deductible coverage
-  Users without a 90-day purchase window

## Trade Offs to Consider

---

-  Limited to 3 claims during coverage
-  90-day purchase window restriction
-  No coverage for shipping fees
-  1-year term instead of extended coverage
-  Replacement device arrives 2-3 days after claim
-  No extended warranty beyond 1 year

## How It Compares

---

- Coverage duration: 1 year vs. extended warranties
- Claim limits: 3 claims vs. unlimited claims
- Transferability: fully transferable vs. non-transferable
- Purchase window: 90 days vs. no time limit
- Deductibles: none vs. standard deductibles
- Shipping fees: covered vs. not covered

### Choose This If...

---

- ✓ You need repair coverage for a 2017 Fire 7 tablet
- ✓ You want no deductibles or shipping fees
- ✓ You purchased your tablet within 90 days
- ✓ You require up to 3 claims during coverage
- ✓ You need transferable coverage options
- ✓ You want a replacement device within 2-3 days

### ✗ Skip This If...

---

- ✗ You need more than 3 claims during coverage
- ✗ You want extended warranty beyond 1 year
- ✗ You require shipping fee coverage
- ✗ You need deductible coverage
- ✗ You purchased your tablet more than 90 days ago
- ✗ You don't need transferable coverage
