Who It Is For

Wants affordable 4K streaming

Uses Alexa voice commands

Needs Wi-Fi 6 for faster speeds

Owens a 4K TV

Seeks live TV options

Prefers simple remote control

Who It Is Not For

Prefers brand-new devices

Avoids refurbished products

Doesn't use Alexa voice control

Lacks live TV subscriptions

Requires wired network connections

Trade Offs to Consider

- Slightly higher cost than basic sticks
- Limited warranty compared to new units
- No physical buttons on remote
- Performance depends on internet speed
- May require additional subscriptions

How It Compares

- More powerful than Fire TV Stick 4K
- Better than Fire Stick 4K for 4K streaming
- Superior to Fire TV Stick 3 for Wi-Fi 6 support
- Matches Fire Stick 4K Max in features
- Less powerful than Fire TV Stick 4K Max

Choose This If...

- ✓ Needs 4K streaming with Alexa
- ✓ Requires Wi-Fi 6 for faster speeds
- ✓ Owns a 4K TV
- ✓ Wants live TV options

Skip This If...

- ✗ Prefers brand-new devices
- ✗ Avoids Alexa voice control
- ✗ Requires physical remote buttons
- ✗ Has slow internet connection
