-  Dolby Vision support vs. standard HDR
-  Dependence on internet connectivity

## Users Say

---

### ● POSITIVES

- ✓ Easy to set up with voice commands
- ✓ Dolby Vision makes movies look amazing
- ✓ Great app selection for streaming

---

### ● COMPLAINTS

- ⚠ Warranty doesn't cover physical damage
- ⚠ Some channels require subscriptions
- ⚠ No physical remote for backup

## How It Compares

---

- Better than basic streaming sticks with Dolby
- Less powerful than smart TVs with built-in
- More affordable than new 4K devices
- Fewer features than premium smart hubs
- Similar to other refurbished Amazon devices
- Better than traditional TV boxes with no voice

## Choose This If...

---

- ✓ You want 4K streaming with voice control
- ✓ Dolby Vision support is a priority
- ✓ Budget-friendly refurbished device needed
- ✓ Smart home integration is desired

## Skip This If...

---

- ✗ You need a brand-new unboxed device
- ✗ Advanced smart home features are required
- ✗ No internet access is acceptable
- ✗ Physical remote controls are mandatory
