

Like-New Ring Battery Doorbell Plus | HD Video, Motion Detection, Two-Way Talk

QUICK BUYER GUIDE

Homeowners seeking HD video, motion alerts, and two-way talk for secure entry monitoring

At a Glance Specs

 **VIDEO QUALITY**
Head-to-Toe HD+ video with night vision

 **ALERTS**
Motion detection and package alerts

 **POWER**
Battery-powered with quick recharge

 **INSTALLATION**
WiFi setup with included tools

 **INTEGRATION**
Alexa compatibility for voice control

 **WARRANTY**
Same limited warranty as new devices

Who It Is For

-  Homeowners needing security at entry points
-  Users wanting package delivery notifications
-  Those with Alexa-enabled devices
-  People requiring night vision visibility

Who It Is Not For

-  Users needing wired installation options
-  Those without Alexa compatibility
-  Individuals without Ring Protect subscription
-  People prioritizing lifetime warranties

Trade Offs to Consider

-  Battery vs. wired power options
-  Subscription costs for advanced features
-  Limited warranty compared to new units
-  No permanent installation required

How It Compares

- Battery vs. wired doorbell setups
- HD video vs. standard resolution
- Subscription-based alerts vs. basic features
- Refurbished vs. new device pricing

Choose This If...

- ✓ You need HD video and motion alerts
- ✓ Want Alexa integration for voice control
- ✓ Require package delivery notifications
- ✓ Prefer battery-powered convenience

Skip This If...

- ✗ You need wired installation options
- ✗ Plan to use without Ring Protect
- ✗ Require lifetime warranty guarantees
- ✗ Prioritize permanent hardware solutions
