Who It Is For

- ✓ Needs adjustable TV height
- ✓ Owns 26-65" flat/curved TVs
- ✓ Wants durable steel mount
- ✓ Requires easy installation
- ✓ Seeks post-installation leveling

Who It Is Not For

- ✗ Owns TVs over 77 lbs
- ✗ Needs more than 3 height levels
- ✗ TVs with non-VESA mounting patterns

Trade Offs to Consider

- Limited to 3 height adjustment levels
- No remote control feature
- Limited weight capacity compared to premium mounts

How It Compares

- Fewer height adjustment levels than some models
- No remote control feature
- Limited weight capacity compared to premium mounts

Choose This If...

- ✓ Needs adjustable TV height
- ✓ Wants durable steel mount
- ✓ Requires easy installation
- ✓ Seeks post-installation leveling

Skip This If...

- ✗ Needs more than 3 height levels
- ✗ Owns TVs over 77 lbs
