Who It Is For

- ✓ Office managers tracking room usage
- ✓ Facilities teams managing conference spaces
- ✓ Event coordinators scheduling meetings
- ✓ Teams needing visual availability cues

Who It Is Not For

- ✗ Individuals without business calendars
- ✗ Users requiring monthly subscription fees
- ✗ Those needing permanent wall installations

Trade Offs to Consider

- No subscription required vs optional customization fees
- PoE installation vs electrical outlet dependency
- LED status visibility vs traditional signage

Users Say

● POSITIVES

- ✓ Instant visual room status from hallway
- ✓ Simple calendar sync without software

● COMPLAINTS

- ⚠ Optional customization fees apply
- ⚠ Limited color options for LED ring

How It Compares

- LED status vs traditional signage
- PoE installation vs electrical outlets
- Calendar sync vs manual updates

Choose This If...

- ✓ Need real-time room availability
- ✓ Want visual status from distance
- ✓ Have existing calendar systems

Skip This If...

- × Require no subscription fees
- × Prefer permanent wall installations
- × Need custom color options
