BEST SELLERS RANK

Top 50,000 in Electronics

Who It Is For

- ✓ Owners of Sharp Smart TVs with EN2A27ST model
- ✓ Users needing a simple, no-programming remote
- ✓ Those with lost or broken original remotes
- ✓ People prioritizing easy setup over advanced features

Who It Is Not For

- ✗ Users requiring app-based controls
- ✗ Owners of non-Sharp TVs
- ✗ Those needing infrared signal range extension
- ✗ People with budget constraints under \$10

Trade Offs to Consider

- Lacks original remote's advanced features
- No app integration for voice commands
- Requires periodic battery replacements
- Simpler setup than original Sharp remote
- Lower cost than original remote

Users Say

● POSITIVES

- ✓ Easy to operate without programming

How It Compares

- Simpler setup than original Sharp remote
- Lower cost than original remote
- Similar button layout to original model
- No built-in voice assistant support

Choose This If...

- ✓ Need a simple, no-programming remote
- ✓ Own Sharp TV with EN2A27ST model
- ✓ Prioritize easy setup over advanced features
- ✓ Want affordable replacement option

Skip This If...

- × Require app-based voice controls
- × Need infrared signal range extension
- × Own non-Sharp television model
- × Expect built-in voice assistant
