COMPATIBILITY
Requires Ring Home subscription

Who It Is For

- Ring Alarm system owners
- Users needing quick arming/disarming
- Those requiring emergency response button
- Looking for compact control panel

Who It Is Not For

- Users without Ring Home subscription
- Those needing multiple keypads
- Preferring wired installations
- Wanting advanced touchscreen features

Trade Offs to Consider

- Requires separate subscription cost
- Limited features compared to premium models
- No built-in display for status
- Dependent on internet connectivity

⇄ How It Compares

- Simpler design than older models
- Fewer features than premium keypads
- More affordable than smart keypads
- Less customizable than advanced panels

✓ Choose This If...

- ✓ Owns Ring Alarm system
- ✓ Needs basic arming/disarming
- ✓ Values emergency response button
- ✓ Prefers subscription-based service

✕ Skip This If...

- ✕ Requires advanced features
- ✕ Averse to subscription costs
- ✕ Needs multiple control points
- ✕ Prefers wired installations
