

# Ring Floodlight Cam Wired Plus & Indoor Cam Bundle, White

## QUICK BUYER GUIDE

Homeowners needing outdoor security with real-time alerts and floodlights

## At a Glance Specs

---

### CAMERA TYPE

**1080p HD outdoor floodlight camera with indoor companion**

### LIGHTING POWER

**2000 lumen motion-activated floodlights**

### ALERT SYSTEM

**105dB siren triggered via mobile app**

### CUSTOMIZATION

**Adjust motion zones through Ring app**

### SUBSCRIPTION

**Requires Ring Protect subscription for full features**

### POWER SOURCE

**Hardwired outdoor camera with indoor battery-powered cam**

### RATING

**4.7-star rating from verified buyers**

## Who It Is For

---

-  Properties needing outdoor lighting and security
-  Users wanting real-time motion alerts
-  Those requiring customizable surveillance zones
-  Homeowners with existing Ring Protect subscriptions

## Who It Is Not For

---

-  Users without a Ring Protect subscription
-  Those needing solar-powered cameras
-  People preferring wireless-only systems
-  Properties with limited electrical access

## Trade Offs to Consider

---

- Subscription cost for advanced features
- Dependence on mobile app connectivity
- Limited to Ring ecosystem compatibility
- Requires professional installation

## How It Compares

---

- Better than standalone floodlights with camera
- More advanced than basic security cameras
- Less flexible than solar-powered options
- More expensive than wireless alternatives

## Choose This If...

---

- ✓ Need outdoor lighting and security
- ✓ Want real-time motion alerts
- ✓ Have a Ring Protect subscription
- ✓ Need customizable surveillance zones

## Skip This If...

---

- ✗ Don't want a Ring subscription
- ✗ Need solar-powered cameras
- ✗ Prefer wireless-only systems
- ✗ Don't need floodlights
