- Keyboard requires separate charging

## How It Compares

---

- Better battery life than most 10-inch tablets
- Includes more accessories than average
- Lower price than premium 2-in-1 models
- Fewer high-end features than flagship tablets

## Choose This If...

---

- ✓ Need versatile 2-in-1 productivity
- ✓ Require expandable storage capacity
- ✓ Prioritize long battery life
- ✓ Want bundled accessories for all-day use

## Skip This If...

---

- ✗ Need high-end gaming performance
- ✗ Require 4K video capabilities
- ✗ Seek ultra-lightweight portability
- ✗ Preferring premium brand reputation
