Who It Is For

-  Wants 4K HDR streaming
-  Prefers voice-controlled remote
-  Needs hands-free TV control
-  Looks for easy setup with HDMI cable

Who It Is Not For

-  Requires 4K HDR without voice control
-  Lacks Wi-Fi connectivity
-  Needs 3D support
-  Seeks advanced channel customization

Trade Offs to Consider

- Less powerful than Roku Ultra
- No 3D support
- Limited channel selection compared to premium boxes
- Smaller screen size for streaming

How It Compares

- Simpler setup than Roku Ultra
- No 3D support
- Fewer channels than premium boxes
- More affordable than Roku Premiere

Choose This If...

- ✓ Want 4K streaming with voice control
- ✓ Need a rechargeable remote
- ✓ Prioritize easy setup
- ✓ Seek hands-free TV commands

✗ Skip This If...

- ✗ Require 3D support
- ✗ Need advanced channel customization
- ✗ Seek more powerful streaming capabilities
- ✗ Prioritize premium channel selection
